As most of you are aware, Dr. Wenda Bauchspies, Co-Director of GenCen, took a leave of absence from MSU during the 2021 calendar year to be a rotating program officer at the National Science Foundation. Wenda decided to renew her position at NSF for calendar year 2022.

While Dr. Bauchspies continues her leave, Dr. Stephanie Nawyn is serving in an expanded role in GenCen that includes support for research-related activities as well as her academic program responsibilities. Please direct any email inquiries to the GenCen address - gencen@msu.edu. Your message will be forwarded to the right person in the office.
